MINUTE

Note·2

During my recent tour on 7th September, 1970 to Gorur, Hassan District, I had discussions with the Officers at Hemavathy Reservoir Project Dam site. I gathered that an extent of 1,120 acres has been proposed for rehabilitation of five villages in the Vijayapura State Forests, Arkalgud Taluk, Hassan District, which require to be fully rehabilitated by June 1971. As it is, time left is insufficient for satisfactory re-habilitation.

Dy. Secy. A&F No. 2836 17/9

AFD 7166 FA 70 21/9/70 38854

L&L SECTION D.F.D. 19 SEP 1970

The Deputy Commissioner, Hassan District, Hassan informed me that unless the land in this forest is released immediately, there will be trouble on the problem of re-habilitation of the affected villages as water is bound to be impounded partially. by June 1971 The masonry structure is going on as per schedule ~~by June 1971~~.

19/9

This is very important and urgent and I request that the matter may please be examined and forest lands released very early.

D. Parameswarappa

15

Note 19

Ref. Note 18.

The C.C.F in his letter addressed to the Divisional Commissioner Mysore has pressed the conservancy of forest wealth. This work of working plan is a matter to be dealt by the Forest B. section. Therefore this may be referred to Forest B.

(1) 1347-46

This may be taken up later. 21/7

21/7

Please see the Chief Engr. Irrigation's letter dt. 7-6-71 the proposal that the land in question may be transferred free of cost to that Deptt. cannot be accepted in-as-much as the cost of the scheme shd. be correctly reflected in the a/cs. of the scheme of the P.W.D. that Deptt. has therefore, to pay the cost of raising the eucalyptus plantation (Rs. 133180).

Again, notwithstanding any thing contained in para 200 M.P.W.D. Code Vol. 1, as pointed out by the C.E., it is desirable

21/7

PWD 2586GI71

desirable that the value of the land proper also is paid as compensation is paid to the private land holders in order to assess the exact cost of the Scheme or project. Indirect shifting of expenditure to some other dept. which has got its own income and expenditure budget heads is not correct. The shifting of the expenditure of M.I.S.W., a Govt. concern then, indirectly to the forest dept. in respect of supply of charcoal and/or wood for the manufacture of charcoal was questioned in audit. The M.I.S.W. was a commercial project and the irrigation project in question is also a commercial project. The P.W.D. may therefore, be requested to pay the cost of land proper also.

Chief Conservator of Forests (Gl).,

NEW PUBLIC OFFICES
Bangalore:1,
Dated: 17/5/ 1971.

D.O.No.B1/FYS/MISC/71-72.

Dear Sri Balasubramanyam,

Sub:-Preservation of Forest wealth in the State.

S. OBJECTION A.G.F.D. No. 16792 18 MAY 1971

You are aware that as a consequence of the development of Large and Small Irrigation projects in the State, extension of power lines riddling through the forest areas, construction of large hydro electric projects, the Forest Department had to release considerable areas for these obligatory works. In addition large areas have been released for rehabilitation of Tibetan refugees, resettlement of ~~ap~~ expropriated ryots agricultural and other purposes. All these have taken a big toll of the Forest Lands resulting in ~~shortg~~ shortage of supply of raw materials to the various industries apart from affecting the natural ecological and climatic conditions. You will agree with me therefore, that all forest areas which are heavily wooded and such of those blank areas which are not suitable for agriculture and still in charge of the Revenue Department could be transferred to the Forest Department for preservation and development of Forests. For example, during my last tour in Mercara, the Divisional Forest Officer was mentioning to me that over 25,000 acres of paisari lands which are heavily wooded, not very different from the standing growth existing in the adjoining State Forests, are still available with the Revenue Department. Their ~~is not~~ terrain is not conducive for clearfelling and release for cultivation or for any other purpose. These areas contain the habitual softwoods for whose increased allotment there is a continuous cry by the plywood and match industries and the chain of match splint factories in the State. It is therefore necessary that the maximum area in these heavily wooded localities, particularly where the rainfall is over 40" and bearing valuable timbers like teak rosewood and softwoods and should be made over to the Forest Department. I, therefore, request you to kindly examine this and suitably recommend for transferring all these 20,000 or 25,000 acres of paisari lands of Coorg District to the Forest Department both from the point of view of preservation of the site and assured supply of raw materials to the existing and ~~fugn~~ future industries. Likewise, I enclose herewith a copy of D.O.letter No.AFF.ML.1945/69-70 dated 5-5-71 received from Shri.A.N.Yellappa Reddy, Divisional Forest Officer, Hassan, regarding some of the gomal lands detailed in his letter selected for afforestation during the year. Increased budget allotment has been made for Hassan District for afforestation and I shall be grateful if you could issue orders to the Deputy Commissioner, Hassan to release the gomal lands listed in theletter of the Divisional Forest Officer for afforestation purpose. This is particularly important in view of the fact that the Forest Department has agreed to release a large area in Hassan District for the Hemavati Project. Simarly, large areas of lands in Saklespur Taluk which is coming under the head Gomal and which are suitable for raising forest crops may kindly be transferred to the Forest Department.

Please verify the existing provisions reg. the Gomal lands and examine the proposal offline CC7(G) 18/5/71

FA) 18/5/71

Perusal for 'B'? 4/6/71

How does this pertain to Forest 'B'

FA) 9/6/71

I am confident that in the interest of preservation of Forest growth industrial development in the State, and from the point of view of ~~implement~~ improvement in climatic conditions, you will agree with me in getting these lands transferred to the Forest Department.

With regards,

Yours sincerely

Shri.Balasubramanyam,IAS.,
Divisional Commissioner,
Mysore.

Copy to the Secretary, Agriculture and Forest Department, for information.

Copy of D.O.letter No.AFF-ML-1945/69-70,from the Divisional Forest Officer, Hassan Division, Hassan, to the Chief Conservator of Forests in Mysore,Bangalore.

Sub:-Taking over of Kaval Lands for afforestation works.

Ref:-G.O.No.AFD-288-FGL-70 dated 20-2-71.

Gomal lands as detailed below were selected for taking up afforestation works during the year. The concerned Village Panchayats furnished the Proceedings drawn up to that effect. The proceedings were sent to the Deputy Commissioner, Hassan for issuing necessary instruction or orders in the matter. The Deputy Commissioner has returned the resolution asking this office to get the resolution passed at the Taluk Development Boards. This District had some good showers and the plantation work have to be taken up early. I request you to kindly address the Divisional Commissioner to issue suitable orders to the Deputy Commissioner, Hassan to release the Gomal lands immediately so that afforestation works will be taken during the year itself.

D.Krishna.B.A.,B.L.,
Deputy Commissioner,
Hassan District.

Hassan,
19th February, 1971.

D.O.No.HBP.PR.100-2222/70-71.
Encl:-One only.

Dear Sir,

Sub:-Rehabilitation of expropriated ryots of Hemavathi Project, Gorur-Hassan District, Release of Forest Lands.

Secy., A.&R. No. 1384 22/2

07301

Kindly refer to the letter No.B.D-71/GFL/1017/70-71 dated 7.10.70 from the Chief Conservator of Forests, Bangalore addressed to you, on the subject-referred to above. The Chief Conservator of Forests, Bangalore in his letter cited above had recommended-release of Forest lands, as shown in the enclosed-Statement, for the purpose of rehabilitating the expropriated ryots of Hemavathi Project. Orders of Government for releasing the said lands have not been received so far.

The shifting of the villages coming under-submersion area of Hemavathi Project is linked with the release of Forest lands. If the Forest lands are-not released in time for the rehabilitation purpose, temporary arrangements have to be made for shifting-the expropriated ryots of the submerged villages, which would cost extra expenditure to Government, besides-causing much difficulty to the ryots, consequent on their rehabilitation.

Dy. Secy. A&R No. 3716 25/2

I, therefore, request you kindly to obtain

orders of Government for the release of the Forest lands as noted in the appended statement, and communicate early.

With kind regards

Yours sincerely

Sri.R.A.Nayak.I.A.S.,
Secretary to Government-
of Mysore. Agricultural-
and Forest Department.
Vidhana Soudha.
Bangalore-1.

Statement showing the proposals relating to the release of Forest Lands in Hassan District in connection with the Rehabilitation of Displaced persons of Hemavathi project Gorur- Hassan District.

Copy of the MINUTE No. Dy.M.MIE.M.48/70, dated 10th Sept. 1970, by Shri. D. Parameswarappa, Deputy Minister for Major Irrigation and Electricity, Vidhana Soudha, Bangalore-1.

During my recent tour on 7th September, 1970 to Gorur, Hassan District, I had discussions with the Officers at Hemavathy Reservoir Project Dam site. I gathered that an extent of 1,120 acres has been proposed for rehabilitation of five villages in the Vijayapura State Forests, Arkalgud Taluk, Hassan District, which require to be fully rehabilitated by June 1971. As it is, time left is insufficient for satisfactory rehabilitation.

The Deputy Commissioner, Hassan District, Hassan informed me that unless the land in this forest is released immediately, there will be trouble on the problem of rehabilitation of the affected villages as water is bound to be impounded partially by June 1971. The masonry structure is going on as per schedule.

This is very important and urgent and I request that the matter may please be examined and forest lands released very early.

Sd/- D. Parameswarappa,
Dy.Min. for Major Irrigation & Electricity.

Ref:Your Nos:-
1. AFD 224 FGL 69 dated 26-12-69
2. AFD 287 FGL 70 dated 28-8-70
3. AFD 288 FGL 70 dated 28-8-70
4. AFD 289 FGL 70 dated 28-8-70
5. D.O.No.HRP.PR-100/70-71 dated 1-9-70 from the Deputy Commissioner, Hassan.

Shri D.Krishna, Deputy Commissioner, Hassan, addressed a D.O.Letter to me on the 1st September 1970 regarding the urgency of rehabilitation of expropriated ryots of Hemavathi Project and the need for forest lands to be released as per the statement enclosed, in addition to the lands already released for this purpose. The Hon'ble Minister for P.W.D. also spoke to me of the urgency of release of the forest lands this morning to rehabilitate the expropriated ryots. The matter was discussed in detail by me with the Deputy Commissioner, Hassan who is the Chairman of the Adhoc Committee namely the Divisional Forest Officer, Hassan, Executive Engineer, Rehabilitation and the Special Assistant Commissioner, Rehabilitation, Hassan.

2. The percentage of Forests in Hassan is hardly 7% and quite a large number of Saw Mills and Wood Industries who are time and again pressing for allotment of raw materials for their Industries and scarcity of firewood is acute. The forest areas in Hassan particularly in the maidan areas are only few excepting the evergreen forests of Bisle Ghats which have been leased out to the Mysore Commercial Union.

3. The need for preserving forest areas for raising plantations was stressed to the members. The difficulties of finding lands to rehabilitate the people whose lands get submerged immediately was considered. In view of the fact that this matter is of urgent importance, it was agreed to release these areas which are asked for provided no further forest lands are asked for in future. Secondly, it was also

P/2...

stressed during the meeting on behalf of the Department that since large chunks of State Forest Areas are lost, the Deputy Commissioner was requested by me to use his good offices as a Co-ordinating Officer of the District to see that atleast about 5,000 acres of Kaval lands in convenient bits are handed over to the Forest Department so that the Department would not lose the area required for afforestation programmes in the District. In addition, the Executive Engineer also mentioned that the total length of Channels is about 200 miles. Adequate areas on either side of canals to the extent of 10,000 acres in convenient strips would be earmarked for raising Canal bank plantations which not only would supplement the local demands but would also protect the channel banks from erosion. The Divisional Forest Officer has been instructed to contact the Deputy Commissioner and also the Executive Engineer and work out the details of the areas both under Kavals and also under channel areas are likely to be handed over to the Department for afforestation purposes. There are certain Plantations raised in these areas and these are mostly trenchmound plantations raised under Soil Conservation Scheme. Hence, the Chief Engineer, Irrigation, has agreed in his letter No.HMT.31.TAC.1967/1962-63 dated 1-9-70, addressed to the Secretary to Government, Public Works Department wherein to reimburse an amount of Rs.27,490-50 to the Forest Department towards the cost of raising the plantations in Vantigudda Forests. Similarly, if there are any plantations in other Forests which are now proposed to be released the extent of the amount spent would also have to be paid for by the Project Authorities.

4. In view of this, I recommend the release of these areas appended to in the statement. I request the issue of the Government Order immediately so that action may be taken by the Divisional Forest Officer to clear the areas before June 1971 in view of the urgency. Suitable instructions from the concerned Department namely, the Public Works Department and the Revenue Department may be issued to the Deputy Commissioner and the Executive Engineer to transfer such of the lands as mentioned above to the Forest Department.

Yours faithfully,

Chief Conservator of Forests.

Hassan.

Dated 1st September 70.

D.O.No. HRP.PR. 100/70-71.C.2222.

Dear Sri Sharma.

Sub:- Release of Forest Lands in Hassan District in connection with the rehabilitation of Expropriated persons of Hemavathi Project Gorur - Hassan District.

Government are very keen to complete the Hemavathi Project at Gorur by 1972 and a result of which about 41 villages would come under submersion by next monsoon. In most of the cases, land compensation, as well as houses compensation has been paid to the holders. Now, they have to vacate the villages and settle in some other place. When I met the villagers, they expressed their willingness to move out of their villages and to settle early in convenient places.

In order to rehabilitate all these expropriated ryots, Govt. waste lands fit for cultivation are necessary certain recommendations have been made by the adhoc committee of Hemavathi Project for release of certain forest lands.

The shifting of the villages comming under submersion is linked with the release of forest lands. Government will be put in an ~~emborasing~~ embarrassing situation if forest lands are not released in time for the rehabilitation of expropriated ryots of Hemavathi project.

Contd: 2.

62

If forest lands are not released in time for the said purpose, temporary arrangements have to be made for shifting of these people of submerged villages, which costs extra expenditure to Government besides causing much difficulty to the expropriated ryots in their rehabilitation. This problem has been brought to the notice of the Divisional Commissioner, Mysore Division, Mysore also.

The enclosed statement gives you full details of Forest Lands proposed for release.

I therefore request you to be good enough to look into these proposals and recommend suitably for the release of these forest lands for the rehabilitation of the expropriated ryots of Hemavathi Project.

I shall be much obliged if you can kindly inform me the action taken in the matter.

(B.N.Anjanappa)
Section Officer,
Agri. & Forest Department.

ISSUED
Date 28.8.70

Copy of letter No.LAQ.PR.18.C.1196/70-71 dated 11th Aug. 1970 from the Divisional Commissioner, Mysore Division, Mysore, to the Secretary to Govt. of Mysore, Public Works Department, Bangalore.

--

Sub: Release of Vijapura State Forest and Kendinne State Forest for Rehabilitation purposes under Hemavathi Project.

Ref: Letter No.HRP PR 32 - 502/70-71 dated 12-5-1970 of the Dy. Commissioner, Hassan District, Hassan.

I enclose a copy of the letter cited with its enclosures received from the Deputy Commissioner, Hassan District, Hassan.

The Deputy Commissioner, Hassan has sent up a proposal for the release of 1120 acres of land in Vijapura State Forest, Arkalgud taluk and 208 acres of land in Kendinne Forest for Rehabilitation purposes.

It is stated that the Dist. Forest Officer, Hassan District, Hassan has addressed the Chief Conservator of Forests, in Mysore, Bangalore on 26-2-1970 and 14-3-1970 for the release of the Vijapura and Kendinne Forests for Rehabilitation purpose and handing over to the Revenue Department.

It is reported that the Executive Engineer, Canal Division, Gorur has stated on 4-5-1970, that about 60-70 families of Yadone village are willing to Rehabilitate in Vijapura Forest Area. The Deputy Commissioner is of the opinion that the displaced persons of Holebasavanahalli and Shanuboganahalli Villages can also be rehabilitated in Vijapura State Forest Area, Arkalgud Taluk, which lies close to the submersion area of Hemavathi Project. It is stated that irrigation facilities can also be provided by improving small tanks in the Forest Area. The ad-hoc Committee of Hemavathi Project inspected the Forest area in question on 13-3-70 & opined that these areas are suited for rehabilitation of the displaced ryots of Hemavathy Reservoir Project. The Rehabilitation Committee in its meeting held on 7-2-1970 has resolved that these two forest areas are required to be released for the rehabilitation of the displaced persons under Hemavathi Project.

I agree with the proposal of the Deputy Commissioner, Hassan and recommend for the release of 1120 acres of land in Vijapura State Forest and 208 acres of land in Kendinne Forest for rehabilitation purposes. Orders of Government in the matter may please be obtained and communicated early..

Copy of letter No.HRP.PR.32-502/70-71 dated 12-5-1970 from the Dy. Commissioner, Hassan to the Divisional Commissioner, Mysore.

--

Sub: Release of Vijapura State Forest and Kendinne State forest for Rehabilitation purpose under Hemavathi project.

It is reported that Vijapura State Forest in Arkalgud Taluk measures 1120 acres, that this Forest area lies close to the submersion area of Hemvathi project and that this area is suited for Rehabilitation of the displaced ryots of H.R.P. being suited for cultivation purpose, and irrigation facilities can also be provided by improving small tanks in the forest area.

It is also reported that the Dist. Forest Officer, Hassan Dist. has addressed the Chief Conservator of Forests in Mysore, B'lore on 26-2-70 for obtaining orders of Govt. for the release of Vijapura forest and handing over the same to Revenue department.

p.t.o.

The displaced persons of Holebasavanahalli and Shanuboganahalli Village can be rehabilitated in this area. The Executive Engineer, Canal Division, Gorur in his letter dated 4-5-1970 has also reported that about 60 to 70 families of Yadane village are willing to rehabilitate in this area.

Kendinne State Forest measures 208 acres. It is reported that there is no much tree growth in this Forest area. The displaced persons of Honganoor and Nelballi villages (Partial submersion villages) can be rehabilitated in this Forest area. The Dist. Forest Officer, Hassan Dist. Hassan, has recommened to the Chief Conservator of Forests in Mysore, B'lore on 14-3-70 for release of Kendinne Forest area for rehabilitation purpose.

The Adhoc Committee of Hemavathi Project inspected these forest areas on 13-3-70 & opined that these areas are suited for rehabilitation of the displaced ryots of Hemvathi Reservoir Project. The Rehabilitation Committee in its meeting held on 7-2-70 has resolved that these two forest areas are required to be released for the rehabilitation of the displaced persons under Hemavathi project. An ~~extent~~ extract of the resolution of the said Committee is enclosed herewith for kind perusal.

In these circumstances, I request that orders of Govt. for the release of 1120 acres of land in Vijapura State Forest, and 208 acres of land in Kendinne Forest for rehabilitation purposes may kindly be obtained and communicated early.

Copy of letter No.HCD/PRJ-2/LOC/70-71 dated 4-5-1970 from the Executive Engineer, Hemvathi Canal Division, Gorur to the Deputy Commissioner, Hassan District.

Subject: Petition of Yadane villagers.

In enclosing herewith a copy of letter of villagers of Yadane, I write to state that these peoples have foregone all their lands. Villagers sites have not been selected so far for these peoples. There are nearly 100 families in this village and river portion is being tackled and we are expecting the submersion of all these lands and even some portion of the village may come under submersion as soon as we close the river gap. This year also due to the heavy floods, water may effect the village due to dam portion coming up in the river.

Out of 100 families 30-40 families are willing to go to Vontigudda Forest. The remaining 60-70 families are willing to go to Vijapura Forest. They are urging since three years to accommodate them in Vijapura Forest.

Hence, I request you kindly to move the Government to get the Vijapura Forest as early as possible so that we can accommodate them at Vijapura Forest.
